

Maths Week

We have had a great maths week with focus on problem solving and making maths games. It was great to see so many parents in this morning, playing the games. Appreciating how busy life is, it was so good to see so many of you able to come and join us.

We have also added to the fun with some hilarious maths jokes!

During our final assembly, we celebrated with several children achieving part of their Maths Masters! Well done to Logan in Year 6 and Alice, Layla, Olivia, Joseph, Lewis, Toby and Aidan in Year 1. All of your photos will be displayed on our Hall of Fame next week. Who else can get their picture on our Hall of Fame?!

Year 6 Cake Sale is on Monday (6th February) in the courtyard

Could you please check your child's hair very carefully over the weekend as we have an infestation of  !

Healthier Child Programme

We have been regularly sharing information about how we can have a happy and healthy school. Focus has been on lunch boxes, our hot school meals, consumption of water, healthy snacks etc. Our work has been supported the Paul Evans—Healthy Child Advisor.

We are delighted that Paul has agreed to hold a parent/carer meeting on Thursday 9th March at 2.30pm to talk about the project and how our initiatives fit into the government's drive for healthier schools. Please put the date in the diaries if you can.

Big thanks to the PTA for organising two discos today. Their hard work combined with the generous support of the school and village community, means that they have just signed off £15,000 to put towards the start of a new play area in the courtyard. This is an incredible amount of money. Thank you.

Adult cooking classes

Linking with the curriculum coordinator for Family Learning at Northants County Council, we hope to be able to share details of free adult and family cooking lessons here at school very soon.

Gymnastics on Monday

Good luck to the 12 children heading to Danes Camp for the county gymnastic competition on Monday.

Thank you to the parents providing the transport and to Miss Peers for training them ready.

Please continue to take great care when parking in the vicinity of school. Unfortunately, there doesn't seem to be a way of avoiding the congestion, but please take great care and ensure you are driving slowly.

Please do not block driveways, park at The Beehive or the area where Mr Dudden helps families cross the road, thank you.

Calling all Year 2– 6 cross country runners keen to represent the school at the forthcoming event at Elizabeth Woodville.

Please refer to the information sent home this week by ParentMail.

Safer Internet Day

On **Tuesday 7th February** at 2.30pm and repeated at 6.30pm (according to demand), we will be holding a parent/carer meeting about keeping your child/ren safe online. Please call the school office or send an email if you intend to come along so that we can plan accordingly.

With internet use so common place amongst all age groups, this session is to support parents/carers to recognise the potential dangers and how to keep your children safe online.

Joke time

What do you have if you have 6 apples in one hand and five in the other?

Big hands

What sort of snakes like doing maths?

Adders

What did the number 0 say to the number 8?

Oooh, I love your belt!

How can you make seven even?

Take away the s!

Why was the math book sad?

Because it had too many problems!

What geometric figure is like a lost parrot?

A polygon!

Why was number 6 scared?

Because 7,8,9!
