

Lots of news!

Thank you for supporting Red Nose Day on Friday and for helping your child/ren come dressed in red and give to this very worthwhile charity. We sold 460 red noses within two days and so through this alone, raised £460! The assembly was a special opportunity to learn more about the charity and the work they do throughout the world. Thank you FS and Year 2 children for the wonderful dancing/singing.

On Monday (27th March) children are invited to join in our Onesie Wednesday. Yes we know it's on a Monday, but sadly we can't run the event on Wednesday, so we are being unique by having it on a different day! £1 donations will be gratefully received. If your child doesn't have a onsie, or want to wear it, they are encouraged to wear the colours of Autism Awareness instead—red, blue and yellow.

From 9.00am—10.00am on Monday there will be a coffee and cake morning in the drama studio for parents, carers, family and friends. Please come and join us if you can. Cake donations would be wonderful too. Any cakes left over from the coffee morning will be sold at the end of the day in the courtyard for children. There will also be a name the bear competition running during the coffee morning and after school.

We know the timing is straight after Red Nose Day, but wanted to raise awareness at the same time as the rest of the country. Whilst regular learning will go as normal on Monday, there will also be an Autism awareness assembly for the children.

Places are available for the WRAP Club Easter Camp. Further details to follow.

Congratulations to all the children that took part in the values banner competition and to those that had their design chosen by the school council. The names and designs will be shared next week.

KS2 fruit starting on Monday

Following the work of the SNAG committee, healthy snack will be available for the KS2 children that signed up (via ParentMail) from the SNAG Hut from Monday. As the costing was worked out according to the number of days until the summer holiday, if you are still keen to sign your child up for this, please contact the office so that exact amount can be worked out. Thank you

Year 4 children are taking part in a cluster music festival hosted at EWS on Wednesday. Year 4 Parents / Carers are invited to come along and share the music at 10.50am. It promises to be a great morning.

Safety in the Village

In assemblies this week, we reminded the children about playing safely in school and in the village.

Please be aware that we have had several messages about children playing in the brook and possibly entering the building site near the Co-op. This is obviously unsafe.

Our next Parent Action Group (PAG) meetings are on Thursday 27th April at 2.30pm and 7.00pm. We will focus on new areas for improvement and share progress following the last meeting. Join us if you can.

The Fresh Start deli bar is starting after Easter. This is a sandwich type option that we hope will remove the pressure on parents to pack up lunch boxes, particularly when it is free for FS and KS1 children.

Mother's Day Lunch

It was wonderful to have so many Mums, Grandmas, Aunties join us on Friday for lunch. It was a very special occasion. Fresh Start and our lunch time staff did an amazing job catering for approx. 130 adults over and above a regular school lunch. We hope you enjoyed the art and biscuit activity too.

Huge apologies if you had to wait some time for your lunch. A few minutes before the first service, we experienced a power cut! As

a result, we had to wait for this to be fixed and for the chicken to cook through before serving and couldn't do anything to speed this up. Thank you for your patience and feedback.

Happy Mother's Day

Congratulations to the children that were selected by their teachers and LSAs for the last Head teacher Tea Party.

PTA Quiz night

Thank you to everyone that supported this fun event on Friday and helped to raise £1200 + for the PTA and school projects.

Our next BNTO (Be Nice to Others) meeting is on Tuesday 28th March from 3.30pm—4.30pm.
