

# PAG Feedback re: Maths January 2017

## Challenge

Are all chn being pushed re-  
gardless of ability? Are we  
maximising potential.

Setting???. Consider both sides.

## Confidence building

Build on basic no. skills for chn

Greater time for problem  
solving in maths session to build  
confidence

Greater use of Mathematics

## Resources

Clock on the playground

Maths packs for parents to  
buy?

## Communication

Inform parents on a regular basis  
regarding the strategies being taught.

Quicker communication if there are  
issues—don't wait until parents'  
evening.

Share test score

Maths platform on website

## Homework

Aim to motivate chn with  
homework

Greater challenge needed?

Ensure it matches what is being  
taught in class.
